

## Amendments and Clarifications to Current Documents

The following document has been published containing minor errors or ambiguities. These are listed below with the amended text.

The changes will be incorporated into the document during the next revision of the document.

Document number	<b>GK/RT0054</b>	Document issue	1	Document issue date	March 1998
Title:	<b>Radio Electronic Token Block</b>				
Section:	8	Clause number	8.2d		
Amendment/Clarification text	<p>The text in clause 8.2d reads: 'display a No Token message when a token is returned and before the next token is received'. It should read: 'be blank when no token message is present'.</p> <p>This correction clarifies that a 'No Token' message is not shown on the display when a message is not present.</p>
